SCALE

Description	10-Point Scale	5-Point Scale
EXCELLENT: Requirement is met; student shows excellent proficiency.	9-10	5
GOOD: Requirement is met, but efforts still present some room for improvement without sacrificing any vital details.	6-8	4
AVERAGE: Requirement is not completely met, though effort is evident. Some vital details have been overlooked, but otherwise meets minimum expectations.	3-5	2-3
POOR: Little to no attempt to conform with the requirement. Does not meet minimum expectations.	0-2	0-1
